So/Such, So much... ●

Too ●

Enough ●

Very ○

▶ Exercise 1 ○

📄 Resumen y envío

VERY

Very

Used before adjectives or adverbs to add emphasis

◦ He is a **very** talented developer

Too, too much, too many, enough + to + infinitive

◦ The app is **too slow to load** on older devices.

◦ He is smart **enough to solve** the problem.

REMEMBER

Don't use an adjective after too much:

◦ I'm **too** tired to code now.

Don't confuse the word "too" (=more than enough) with the word "very".

◦ This startup has a **very** innovative product.
