

## YET

The adverb **YET** can be used to refer to **something that is expected to happen soon but has not happened yet**.

It is usually **placed at the end of a sentence and used in negative sentences and questions**.

### Examples:

- *I haven't finished coding the project **yet**.*
- *Have you learned how to code in Python **yet**?*
- *The program hasn't compiled **yet**.*

**In British English, YET is used with the PERFECT TENSE**

**In American English, the PAST SIMPLE tense is sometimes used instead of the present perfect tense.**

- I **haven't programmed** in Java **yet**. (🇬🇧 *British English – Present Perfect*)
- I **didn't program** in Java **yet**. (🇺🇸 *American English – Past Simple*)
