TOO / TOO MUCH / TOO MANY

TOO

Before an adjective/adverb: 'more than we need' or 'more than is necessary'.

- *Your code is **too complex** for our users.*
- *She types **too slowly** to meet the deadline.*

TOO MUCH

Before an uncountable noun

- *I think you are having **too much caffeine** while coding.*
- *There's **too much debugging** to do before we can launch.*

After a verb

- *I think you **work too much.***
- *He **talks too much** during the workday.*

TOO MANY

Before a plural noun

- *We hired **too many developers** for the project and now we have a communication problem.*
- *There are **too many tools** in our workflow, we need to simplify.*
