Relative Pronoun	Defining Clause Example	Non-defining Clause Example
Who/Whom	The developer who wrote the code is very experienced.	My colleague, who is a skilled programmer, developed the app.
That	The app that I developed has many features.	Our coding team, which is growing rapidly, is always looking for new talent.
Which	The phone which has the most features is also the most expensive.	The new design, which I think is better, was implemented yesterday.
Whose	She's a developer whose apps have been downloaded millions of times	The laptop, whose battery died, needs to be replaced.
Where	The office where the programmers work is in downtown.	The coffee shop, where we often code, has great Wi-Fi.
When	The moment when the app crashed was frustrating.	Yesterday, when we were working on the app, was very productive.
